

END OF 3RD TERM NEWSLETTER

Greetings parents so dear, we want to appreciate God and return all glory and honour to Him alone for successfully bringing us to the end of the 2024/2025 Academic Session. We have indeed enjoyed God's goodness, mercy and favour throughout the year. We want to appreciate every one of you who entrusted us with the care and upbringing of your children, academically, morally and spiritually. Your encouragements, cooperation and inputs went a long way in helping us achieve our goals for the children and the school at large. We look forward to more of your support in the coming session.

Below are some of the highlights of the major events that took place during the course of the 2024/2025 Session.

EXCURSION

The pupils of Preparatory class and all the Grade classes went for an excursion to the Central Bank of Nigeria. This was done to further enhance their learning and get the opportunity to also see some of the early currencies used in the country. It was a memorable experience for them.

OPEN MARKET DAY

As a climax to our money teaching week, we had an open market day; where the pupils brought items to sell. Parents and well wishers were invited to buy from the pupils. It was fun as the pupils had a practical knowledge of money.

CHILDREN'S DAY CELEBRATION

We had our school Children's day celebration on the 25th May 2025. It was fun as we had various activities like face painting, games, memory verse recitations, bouncing castle and lots more to celebrate our children. The pupils had an amazing time in school that day.

CAREER WEEK

This year, our career week took an interesting turn. Our teachers and pupils dressed in different costumes/attires representing different professions and occupations as designed for the whole week. We had an interesting career talk session, practical classes for artisans and farm/animals day. The highlight of our week was the horse riding. Both staff and pupils had fun while climbing, snapping and riding on horses.

THANKSGIVING SERVICE

We had a Thanksgiving service on Friday the 25th of July 2025. It was our own way of bringing the 2024/2025 Academic Session to a close. We had some of our parents in attendance. We all were excited as we sang, prayed and gave testimonies of how far the Lord has brought us.

PTF MEETING

We held our Parents Teachers Fellowship on the 26th of July 2025. We had about 60 parents in attendance. The meeting was successful as critical matters affecting the pupils, staff, school and parents were discussed.

ACADEMIC UPDATES

As it was earlier proposed, we began the Club activities during the course of the session. Three clubs are active and have began their activities. They are; Press/Debating Club, Maths/Jets Club and the Arts/Creative Club. Other activities that were introduced were the weekly quiz and spelling competitions to aid and foaster learning.

As we come into the new session, we intend to introduce Preparatory Classes for the Grade 5 pupils who will be writing their common entrance examination by the end of the 2025/2026 session.
